Old Business- None

New Business:

Village Administrator Traci Sturgill stated Chief Williams was speaking with Village resident Dick Krumlauf and felt years ago there was an ordinance passed in council that addressed vehicles being parked in residents yards. I have searched back all the passed ordinances and resolutions and have not found one. Council member Lynne Snider has not known of one and knows it has been discussed a couple times in the past. Traci added she knew we have talked about it in both council and on zoning but it would require a code maintenance agreement and the hiring of a certified zoning inspector that specializes in these type violations for court. Traci will look further in the past Village minutes.

With no further business, Committee Chair Ashley Moore asked for a **motion** to adjourn the Public Facilities and Safety meeting. **Motion** made by Committee Vice Chair Lynne Snider and seconded by Committee Chair Ashley Moore.. A roll call vote was taken with all committee members voting aye.
