Fiscal Officer's Report- Fiscal Officer Melissa Tremblay – Fiscal Officer Melissa Tremblay updated council on Village finances

Police Report for May 2020 – Chief Dan Williams – Chief Dan Williams shared the Police Report for May 2020. He had 12 traffic stops and issued a total of 6 citations. He mentioned that he was able to get out on the police bicycle over the last weekend and spoke with several residents. Chief Dan Williams shared that he had received the traffic data back from the devices placed in the Village. The data is a seven-day average and it only counts vehicles that are going 11 mph over the speed limit. On Church Street, going both directions, there was an average of 29% of traffic going 11mph over the speed limit. On North Main Street and Foster, there was an average of 31% of traffic going 11 mph over the speed limit. The device that was placed on East Columbus Street was programmed incorrectly. It was programmed at 25 mph, when the speed limit is actually 35 mph. Even with this programming error there was still only 3% of the traffic going 11mph over the 25 mph set limit. He has found that speeding is worst on North Main Street between 5:00 PM – 6:30 PM. If anyone has questions on the police report, please feel free to contact Chief Dan Williams.

Administrator's Report: Village Administrator Traci Sturgill – Village Administrator Traci Sturgill said that the pool inspection passed. She asked if we still wanted to do \$1 admission and \$1 hot dogs for the pool for July 4th. All said yes. She shared that the pool has been doing well and had 175 people this last Saturday. Village Administrator Traci Sturgill said that she had been asked by several people when the community yard sales were to be held. Councilmember Lynne Snider said the community yard sales are held the first weekend of August.
