

Village of Thornville Public Notice:

MANDATORY BOIL ORDER

WEDNESDAY JULY 9TH AT 12:20PM

The Village of Thornville, along with all Northern Perry Water customers who receive water from the Village, is currently under a **BOIL ORDER** due to a chlorine system issue at the water wells.

It is **essential (Required)** that customers boil all water used in the preparation of food and beverage for consumption for 2 minutes.

This Boil Order will be in effect until further notice.

- Drinking water (including pets)
- Brushing teeth
- Baby formula
- Washing produce
- Preparing food
- Coffee, tea, lemonade, etc.
- Ice cubes should be thrown out

Water used for laundry, showering/shaving, and water grass or plants is safe to use without boiling.

We appreciate your understanding and cooperation as we work to ensure the safety and quality of your water supply.

If you have any questions, please call The Village Office at 740-246-6020 or after office hours call 740-739-0297.
